

Back to School 2017

St Gerard Majella School ~ Pre-Pack Booklist Orders with Harley's

What's
in it
for me?

Save Time & Money

Participating in the back to school list ordering scheme will ensure that your child has the correct products ready for the new school year, and will save you time and money, as you will not need to shop around, or face the endless queues during the back to school rush.

Earn a Commission for the School

Harleys Educational Superstore gives the school a commission for each order placed on or before Thursday the 15th of December 2016. The school will not receive a commission for late orders.

Help us to support your school by placing your order on time.*

Early Bird Discount

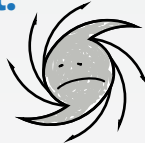

Discounted "early-bird" stationery prices are applicable for *pre-pack* orders that are submitted to Harley's on or before Thursday the 15th of December 2016. (remember, you can **pay now or pay later!**).

Pre-Pack orders placed after this date will be subject to the higher "late order" prices.

*Please note: Ordering with Harley's is **not** mandatory, but every order placed on or before **15th of December 2016** helps the school to raise vital funds.

Please Note: Early Bird Pricing listed on your order form are **only** applicable for pre-pack orders. You will pay less for your requirements by submitting a pre-pack order than if you shop for your goods and purchase them over the counter in our store.

Australian Weather: Beautiful one day, Nasty the next. Cyclones, floods and fires...

Don't risk your child's education by placing your order at the last minute!

As we have previously experienced, cyclones, floods, and fires can cut the roads to Far North Queensland for weeks at a time, and delay the arrival of stock on the way from the supplier.

The only way to guarantee that your child has all of their back to school requirements ready for the first day of school is to place your order with Harley's on or before Thursday the 15th of December 2016.

All of our back-to-school packs are packed right here in Cairns by our local long term and casual employees

FAQ's

When do I have to pay?

You can choose to pay for your goods when you collect them from Harleys – or you can pre-pay for your goods when placing your order. Many parents like to pre-pay for their order so they don't have to worry about budgeting for the expense after the Christmas break.

How do I place my order?

Visit www.harleyseducational.com.au and click on the "Back To School" button on the top of the screen to place your order online. You can also lodge your order at the school office or with Harley's via post, fax, email, or in person at the store.

How will I know my order has been received?

We will send you an order confirmation email and sms once we have keyed your order into our computer system, so that you can have peace of mind that your order is being prepared for you. This will also confirm the total amount of your order.

When will my order be ready?

Orders that are placed on time should be ready for collection from the 14th of January 2017 onwards. We will send you an order collection email and sms once your pack is complete and ready for collection. You can then collect your pack from Harley's at your leisure.
