Dear Parents/Carers

Due to parent and staff feedback, we have decided to trial the use of a bulk order stationery system for 2018. This means you will not receive a booklist for next year. The cost of the stationery order will be added to your Term 1 fees. All stationery items will be delivered to the school and will be waiting for your child at the beginning of the school year. There are some additional items that you are required to purchase for your child. Please see the list below.

We are hoping the use of the bulk order system will ease the headache of stationery shopping at the end/beginning of the year and enable all students to begin the school year with the correct equipment.
