All students, parents and staff have the right to be safe, and feel safe, in their school community. With this right comes the responsibility to be accountable for actions that put at risk the safety of others or oneself and to ensure that correct processes are followed whilst visiting the School.

POLICY

All members of the School community are to be treated with respect and dignity, especially persons in positions of authority. Members of the School community are expected to use non-violent means to resolve conflict. Physically or verbally aggressive behaviour is not a responsible way to interact with others. Correct processes must be followed when visiting the School.
